January was a very busy month for Republican Women

January 16 and 17 was our NFRW Region 5 Conference was held at the La Pavillion Hotel. Region 5 includes the States of Louisiana, Mississipp, Texas, Arkansas, Alabama and Texas. The Presidents of all 5 states were present . The Conference was a resounding success, with strong attendance, dynamic speakers and enlightening workshops!

Karen Watson pictured above gave an inspiring talk on being Black and a Republican. She had the entire room captivated. She is the author of several books of which she discussed How the Democrats Stole the Black Vote… and How Republicans Can Win it Back!!!

Southern Republican Leadership Conference on January 18 and 19, held in Kenner brought exciting speakers US Congressman Steve Scalise, Lt. Governor Billy Nungesser, and Minnesota Senator Michelle Bachmann. Our club members were very active in volunteering at the Conference.

Friday night was Louisiana Seafood night sponsored by Lt. Governor Billy Nungesser and the attendees enjoyed real Louisiana Seafood and a real Cajun band from Breaux Bridge. Jeff Crouere was broadcasting his radio show live during the Conference.

Speakers included Stephen Moore of the Heritage Foundation, who explained details of Trumponomics and deregulation. Arkansas Atty. General Leslie Rutledge said the US is not anti-immigrant. We are opposed to illegals, lawbreakers. Senator Elbert Guillory spoke of "white privilege" as a package being sold to create division. State Treasurer John Schroder says state government has grown by 9%. "We need to say NO to spending."
