

Happy Thanksgiving and Merry Christmas

Message from President Charlene Stein

Greetings,

I would like to start off my letter by congratulating the winners of all the elections. What a relief that they are over, and many thanks go to those of you who worked so tirelessly for the candidates of your choice. Maybe yours were not all elected, but we need to accept it and move forward. Let's support our officials who work very hard for us. They need our support just as much as we need them.

I ask that you read this newsletter carefully so you will have the correct information concerning the end of the year activities, dues, etc. I am hoping to see many of you again next year as we look forward to the big Presidential election. It should be a very interesting time!

If you haven't been to a meeting in a while, consider attending our Christmas "Dirty Santa". It will be a fun time and a great way to socialize with fellow members. Karen has all of the details in this newsletter.

May you all have great family times together during our Thanksgiving Holiday.

Happy Thanksgiving,

Charlene Stein

Just to remind you, I will continue to send Thank You notes to our speakers or anyone requiring a thank you note. I will send congratulatory notes to our local Republican politicians who win their races. I will also send sympathy, greeting and get well cards to anyone that you give me their names and addresses. Things you did not know in American History

The Word "Pennsylvania" Is Misspelled on the Liberty Bell.

Too bad spellcheck didn't exist 300 years ago! Hey, we're just kidding—because the spelling used was actually an **accepted** form at the time the bell was engraved. Here are a few other fun facts: the strike note of the Bell is in E-flat, and it weighs a whopping 2,080 pounds!

AMERICAN MINUTE...Dee Webb

I've been told by some of our members that they really enjoy the American Minute. Well, I enjoy finding some-thing to report on for the Membership. I realize that I am the one that started this but I would love to have some company. I am sure that some of our members have something that they think would be an interesting American Minute. Put your thinking caps on and contact me with your ideas. I can be reached by email at: deewebb314@gmail.com or call 504 201 1746.

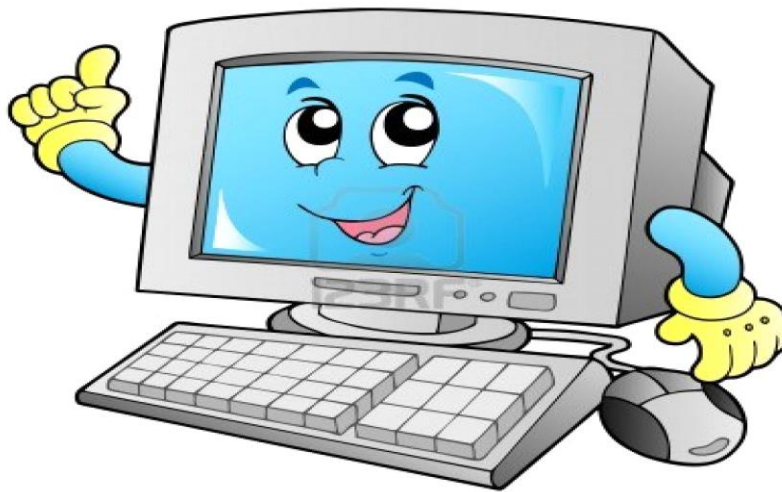

The National Christmas Tree

At 3 p.m. on December 24, 1923, a 100-voice choir from the First Congregational Church assembled on the South Portico of the White House and began a two-hour concert of Christmas carols.[17] At 5 p.m. (dusk) on Christmas Eve,[17] President Coolidge touched a button at the foot of the tree which lit the lights and electric candles adorning the tree,[17][18] but he did not speak.[9] A searchlight from the nearby Washington Monument was trained on the tree to help illuminate it as well.[18] The Coolidge family invited citizens of the city to sing Christmas carols on the Ellipse after dark. Between 5,000 and 6,000 people thronged the park, joined by 3,000 more people by 9 p.m.[17][18] The crowds were joined by the Epiphany Church and First Congregational Church choirs, which sang carols, and the Marine Band played Christmas-themed music.[17][18] The singing ended shortly before midnight. After the white residents of the city had dispersed, African American residents of the city were permitted on the park grounds to see the National Christmas Tree.[17] An outdoor Christian worship service was held, and a mass choir composed of signing groups from area community centers sang more Christmas carols.[18] An illuminated Christian cross was flashed on the Washington Monument, and men dressed as shepherds walked from the National Christmas Tree to the monument.[18]
