*President's Message:*

Laura Seabaugh's presentation on the *Rose Garden and American Rose Society* was excellent and obviously well received by the members and guests at the May club meeting. When the late John Taylor created our club's logo, he placed an Elephant with upraised trunk on one side of the flag draped outline of Caddo Parish and a Rose on the other side. He circled those important symbols of our Parish with the Club name and the date our Club was chartered. It was time to have the Executive Director remind of us the importance of that rose in bringing National and International recognition to our State and Parish. Who knows? Maybe *Rosie* will take notice and make a visit to the large event center housed at the Gardens. I look forward to seeing you at the June meeting and hearing from our LFRW President, Gena Gore. *Susan Taylor, PRWC President*
