President's Message: Never would I have guessed that my May message would be about the Presumptive Republican Presidential Nominee, "Dangerous Donald." You bet he is! He is scaring establishment Republicans, devious Democrats, illegal aliens, abortionists and foreign enemies just to name a few. Sounds like my candidate for sure. Dangerous Donald, as dubbed by the DNC, is far better for our country than "Crooked Hillary" (as dubbed by Trump). Trump supporters are calling him a "Winner" who beat all odds to become our nominee. Those Republicans (mostly Washington insiders) who denounce him are stunned by his success. Those who support him, know him as someone who will not let the liberal, socialist, democrats defeat him. Many well known Republicans are supporting him: Ben Carson, Herman Cain, Clint Eastwood, Willie Robertson, Governor Perry, Sarah Palin, Lynne Patton, Diamond and Silk (wait a minute – I thought women and minorities hated Trump) just to name a few. I am not sure what Trump will really do once elected but I do know that this country does not need 4 years of Hillary Clinton. Please join me in supporting Mr. Trump and pray that he will **"Make America Great Again"**.
Susan Taylor, President PRWC

Aging

Said the little boy, "Sometimes I drop my spoon."
 Said the little old man, "I do that too."
 The little boy whispered, "I wet my pants."
 "I do that, too", laughed the little old man.
 Said the little boy, "I often cry."
 The old man nodded, "So do I."
 "But worst of all, said the boy, "it seems
 Grown-ups don't pay attention to me."
 And he felt the warmth of a wrinkled old hand.
 "I know what you mean," said the little old man.
