President's Message: It's March and your Board members and I are so thankful. Daylight Savings Time begins Sunday, March 11. We can enjoy our evening meetings and leave while there is still light outside. Yes, many of us do not like driving out of the Savoie's parking lot with all its traffic in the dark. That problem along with frequently bad weather is being considered as we review possible bylaws changes regarding our meeting schedule. We would also like to set up some carpool drivers to bring reluctant nighttime drivers to meetings. If you would like to participate, let me know. Shannon, our program chair, is working hard to secure some great speakers for upcoming meetings and would like your input. We appreciate suggestions and look forward to hearing from our politicians as we enter the upcoming election cycle. In the meantime, may God continue to bless our current Republican Senators and Representatives and may God Bless and Protect our hard-working President, Donald Trump. *Susan Taylor, President*
