Dear Terri,

In an abundance of caution,
we will NOT be holding
our luncheon this month.

Instead we encourage our members,
family and friends to stay safe.

President's Message

Dear Members and Friends,

In spite of the main stream media's unending rampage against President Donald J. Trump, I cannot imagine the United States of America having any other political figure leading our nation at this critical time. President Trump, in my estimation, has worked harder, been more transparent and more productive, and been more continually reassuring of our nation's bright future, than I can possibly imagine any other 2016 presidential candidate capable of being. And, have you noticed? He is becoming more and more presidential. Not only that, but what a great blessing we have in Vice-President Mike Pence, who epitomizes strength under control and calm, dependable wisdom. As the EBRP Republican Women, we must commit to helping re-elect President Trump and Vice-President Pence. We are grateful for the efforts made by Attorney General Jeff Landry, Senators John Kennedy and Bill Cassidy, and Congressman Garrett Graves, on behalf of Louisiana and East Baton Rouge Parish, as we fight the Coronavirus.

We are cautiously optimistic about having our May luncheon. If you have never heard Kay Katz speak, you are in for a real treat! She is an absolute dynamo about all things American and Republican. You will love her passion and common sense about the danger our country faces, should we do away with the Electoral College.

I am participating, as are many of you, in the various recommended ways to pray and fast for our state and our nation. As we have all just celebrated the truth and reality of Jesus' resurrection, may our faith sustain us and prompt us to reach out in some way to those most affected by Covid19.

Peace and safety to you all,

Debbie

for the Lord your God is with you ... ”** Joshua 1:9

EBRP Republican Women

It is my prayer that you and your family are healthy in body, and filled with faith, peace and courage in heart. With God’s faithful help, we will get through this together, rebounding with more compassion, wisdom, prosperity, power and unity...

ONE NATION, UNDER GOD ... The UNITED States of America!

Please continue in prayers for President Donald J. Trump [and Team], that the God of all grace will give him specific wisdom, physical stamina, keen discernment, supernatural protection, and divine favor. **2020 TRUMP-PENCE landslide victory!**

Committee Reports

Armed Forces Committee

A **Big Thank YOU**, to **Sandra Campbell** and **Dru Brock Lea** for delivering our refreshments as well as gift bags of toiletries, snacks and crossword puzzle books to the men and women of the **LA Veterans Home** in Jackson, LA on March 18th.

The gifts of money our luncheon attendees make to the collection baskets on the table each month make these projects possible. Thank you!

Literacy Committee

Jeannene Kogler volunteered as a judge at the National Christian Forensic and Communication Association speech and debate contest held March 12th - 14th. One of our Federation objectives is to educate the public of our liberties and freedoms in America. This competition is a great example for our youth, to prepare for and exercise their freedom of speech. A confident speech, well thought through and articulate is essential to being heard and respected. We are so proud and hopeful to witness these, our future leaders of America.

Member Highlight

Susan Kramer puts love into action. Born in a suburb of Boston and raised in Massachusetts, Susan was a transplant to Baton Rouge in early adulthood. Having taught elementary grades while in the northeast, Susan brought her remarkable dedication and skill to her new Southern home. She founded a private school, Gables, for students with learning challenges, in grades one through high school. Susan carried on this important work for 32 years and is proud of her many students who became well-functioning adults.

Susan enjoys genuinely contributing to worthy endeavors in substantive ways. She served on the board of directors for "Friends of the Old State Capitol" for six years. Susan and her husband Bren attend Jefferson United Methodist Church, and through the church, have been cooking monthly meals for HIV residents at St. Anthony's Home for years. She says that they have learned a lot and made new friends at the home. If you speak to Susan for a little while, you

will learn of other small, continual acts of service for those in need, acts that no one knows about, like the woman she fixes occasional meals for, who depends upon "Meals on Wheels." "Show me your faith without deeds, and I will show you my faith by my deeds." (Jas 2: 18)

Among Susan's other activities, she enjoyed participating in a club called "Acting For the Fun of It" until the leader retired, and still joins former members for a monthly luncheon.

We are fortunate to have Susan serve as the EBRP Republican Women treasurer, and she does a fantastic job! Susan sits with Terri at the registration table. Please take time to meet this very real, delightful woman!

Support President Trump!!

Are you looking for something meaningful to do during the quarantine? Please help support President Trump by supporting our own Campaign Chair **Carol Thomas** who is running as a Louisiana Trump delegate to the **2020 Republican National Convention**. Carol needs 50 precinct captain volunteers in order to qualify for the delegate ballot, which will be voted on at the LAGOP Republican Caucus to be held on June 6th (please see below).

As a Precinct Captain, you will be emailed a list of registered Republican voters in your precinct. All you need to do is call 10 homes from your list to remind them to vote in the caucus and primary. You will then email your list of contacted voters with email addresses back to the LAGOP. It's that simple!
