We mourn the Loss of Justice Sandra Day O'Connor who died on December 1, 2023 (1930-2023). She was a member of NFRW. Majority leader in the Arizona State Senate. In 1981, President Ronald Reagan appointed her to the Supreme Court where she was confirmed by a vote of 99-0. President Reagan described his nominee as a "new Justice for a new American era" at the NFRW Biennial Convention in Denver on September 18, 1981.

Question? Should the US House Vote to formalize its Biden Impeachment inquiry?

UPENN President Liz Magill has resigned, as President of the University of Pennsylvania. Her antisemitism attitude and words at a Congressional hearing where her testimony was an outrage to all who heard it. The other Ivy League Presidents are also being asked to step down as their testimonies were also outrageous. They could not condemn the genocide of Jews and the elimination of the nation of Israel!

Iphone has app called Testflight that can steal your data. Check it out with [Cyberguy.com](https://cyberguy.com)

Also check your Apple IOS settings for Air Drop and handoff. Goggle it to find the latest information on why police are warning parents to check their children's phones, because their data can be stolen by just the children tapping their i-phones together. Everyday it is something new to worry about with cyber!

Three days ago in Louisiana enough evidence of illegal voting was uncovered-such that a state Supreme court Judge completely nullified the results of an election. His rationale was that enough ballots were cast illegally to change the outcome of the race and therefore, (Caddo Parish sheriff election) the entire thing just has to be redone and now John Nickelson has filed a lawsuit to challenge the results; after a machine count was done, and something still smells fishy! Politics and elections just enough to drive you nuts! Who do you trust ????

Is it time for the US to get out of the UN...A body of Countries, that cannot condemn the ACT of RAPE as a tool of WAR! OUR taxpayer monies are supporting these countries and it is time to close our purses!
