

MANDEVILLE REPUBLICAN WOMEN

February 2021

PRESIDENT'S MESSAGE

Who Are We?

Those of us who years ago took a typing class remember this practice phrase:

Now is the time for all good men to come to the aid of their country!

Even practice phrases had patriotic messages.

So, here we are in a place in time where we need to live that phrase.

As President of the Mandeville Republican Women, I like to have an agenda for the year, a direction, a spot on which I can plant my next footstep.

So-----Here it is:

We need strong reminders of who we are, why we are a member of the Republican Party and why we belong to this Republican Women's Club!

WHO ARE YOU?-----let NO ONE remove your identity

-----let NO ONE silence your words

-----let NO ONE decide your future

BUT YOU!

That's what makes us Republicans!

So-----my message to you: We are all limited as to what we personally can do to keep our country free and safe, and protect it from those who wish to remake it in a different image. I strongly believe if we keep our identity, continue our efforts to elect honest men and women who believe in personal freedom and are willing to withstand attacks against them from the uninformed, support the teachings of true history of our country to our children so they understand the value of the freedom we possess, we can progress here in the area where we do have influence. Just think, if every community does the same thing what a difference it can make.

I tell others all the time, "I have no money, no influence but I can give my time, my effort, whatever abilities I have to promote the freedoms I am privileged to have as a citizen of the best country in the world, **THE UNITED STATES OF AMERICA.**
