

MANDEVILLE REPUBLICAN WOMEN

Linda Begue

September 2021
President's Message

Looking For Good News!

I have been looking for good news, something encouraging about which I can report. With this Biden administration there is none! What I can report:

- 1. LFRW Region 7 is adding a new club.** I have not met or spoken to the organizer but am awaiting info from LFRW President so I can reach out to her. Region 7 has reinstated 2 clubs this past year; Franklinton and Hammond and now is adding a new club. So, if nothing else it shows Republican Women are motivated to get involved.
- 2. Receiving the mailer from Rep. Richard Nelson** was a bright spot. You will be pleased at the report when you receive your copy. Those of us who were unable to attend the Aug. 5th meeting will get the benefit of reading about that which we missed. Thank you, Richard!
- 3. The PAR Guide to the 2021 Constitutional Amendments** is not online yet. We will let you know when we see it so you can make decisions before going to vote.
- 4. Thanks to all of you** who have reached out to me over the long, hot summer. Happy to report I feel better. Hopefully I will keep improving. As many of you know, my body does not like meds but I am on a good path now!

Nan Richerson is also doing well now and is at home. We both thank all of you for your thoughts and prayers.

Please add **Lynn Pablovich** to your list for prayers as she will undergo carotid artery surgery on Aug. 18.

I'll Take All the Good News I Can Get!

September MRW Meeting

We will discuss the upcoming October 9th election for the four proposed constitutional amendments. A list of them can be found on the Louisiana Secretary of State's [website](#), and they are described in greater detail [here](#).

Briefly, the first proposed amendment would streamline electronic filing, electronic remittance, and the collection of sales and use taxes.

The second proposed amendment addresses the maximum allowable rate of income tax.

The third proposed amendment would create an annual tax of up to five mills for construction and maintenance of levees.

The fourth proposal allows for a change in the amount of reduction that can be made to dedicated revenues, from five to ten percent.

Each of these proposed constitutional amendments may cause significant impacts to your taxes and deserve your attention.

The next MRW meeting will be September 2nd.

Social time begins at 11:00 a.m. with the meeting/lunch beginning at 11:30 a.m.

Reservation Deadline is August 26.

MRW's Dictionary Project

READING MAKES A COUNTRY GREAT

By Mary Jenks, MRW Literary Chairman – Dictionary Project

It is with great pleasure that Mandeville Republican Women will distribute dictionaries to the third-grade children at Lyon Elementary School this year!

The goal of the **Dictionary Project** is to ensure that third graders will be able to enjoy the benefits of owning their own dictionary. You may be interested in a few statistics nationwide concerning the **Dictionary Project**:

33,873,797+ children nationwide have received a dictionary to date

78,048+ dictionaries have been distributed thus far nationwide

2021 marks the 25th anniversary of the **Dictionary Project** and MRW are so very proud to be a part of this worthwhile endeavor

The **Dictionary Project** was created twenty-five years ago to improve literacy in South Carolina which was ranked 50th in the nation in reading comprehension. More than 50 states, plus Puerto Rico, Canada, Mexico, Caribbean Islands, Peru, Afghanistan, Nepal, and throughout Africa dictionaries have been distributed to students to help them learn and understand new words.

It has truly been an honor to donate dictionaries to the third graders at Lyon and just to touch your heart, kindly read this thank you letter below from a precious little girl-cited from The Dictionary Project newsletter, Summer 2021. You can see why MRW makes this project one of our top priorities. (You must appreciate the **inventive spelling!!!**):

Call to Action

Tell Your Representatives How You Feel about Washington's Woke Agenda

Welcome August Recess! Members of the U.S. House and Senate will be back home, and Federation members are encouraged to visit them at their local office or attend a town hall and deliver a strong message on NFRW priority issues.

"Congress is in recess, but NFRWarriors aren't resting," said NFRW President **Ann Schockett**. "We're kicking our activism into high gear to let our representatives know we oppose the woke agenda in Washington."

- **Election Integrity.** The Senate will take up a motion to consider S. 1 when it returns in September; **Nancy Pelosi** is calling House Democrats back on August 23 to take up H.R. 4. Voice your opposition to legislation that undermines the integrity of elections and invites fraud (read more [here](#)).
- **\$3.5 Trillion "Everything is Infrastructure" Plan.** The second item on **Nancy Pelosi's** agenda for the August 23 session is passing a budget resolution to advance the Democrats' reckless \$3.5 Trillion tax and spending spree, which has the "DNA " of the Green New Deal agenda with higher taxes, amnesty for illegal immigrants during a border crisis, and a laundry list of other left-wing priorities that have nothing to do with infrastructure.
- **Keep Nine Amendment.** Ask them to co-sponsor (or thank them for co-sponsoring) H.J.Res. 9/S.J.Res. 11 to prevent court packing and protect the independence of the Supreme Court (read more [here](#)).
