

MANDEVILLE REPUBLICAN WOMEN

Linda Begue

President's Message September 2023

“The Good ALWAYS Suffer for The Bad”

This old expression is proving to be especially true today.

I think of it every time I need scissors to cut away the protective packaging on my purchases! In addition to the inconvenience, it increases the cost of the product and the trash disposal costs. The good people are literally paying for the actions of the bad people, shoplifters!

Unfortunately, this is a permanent suffering! We have been unable to change this bad human behavior.

I think of it every time I grocery shop or fill my car with gas. The good people of the U.S.A. are literally paying greatly inflated costs due to the decisions, policies, and regulations of the bad president, Joe Biden!

Fortunately, this can be a temporary suffering. We can change this by electing a conservative Republican president and return to the fiscal policies of the Trump presidency!

My “bad word” list is growing:

Equity
Diversity
Inclusion
Green
Bidenomics

How many more words will be added while Biden is president?
