October 2020

It's Election Season!!

I missed you all last month. I went tent camping for the first time in 43 years! It was a great week with family in north Georgia. The weather was beautiful and it was wonderful to finally get to spend time with my family. The coronavirus has kept us apart for far too long! As for tent camping – we can just go ahead and call it glamping – because why suffer? It was awesome.

As I worked on the newsletter I realize that we have been a very busy group. We have had so much activity – preparing for upcoming elections, campaigning, debates, forums, and voter registration drive, the centennial celebration of women's suffrage, the Literacy Committee Dictionary Project and the regular monthly meetings. Read below to see our club in action!

We will meet again on October 14, 2020 at LaContea Italian Restaurant, 7970 Jefferson Hwy, Baton Rouge, LA – 11:00 am - 1:00 pm. We will

continue to meet through the end of the year. If you have a new place in mind that you would like to recommend for future meetings please let me know - or if you have menu changes you would like made. Personally, I like LaContea – the food is good and the location and parking are great for our members. But we are always open to new ideas.

I want to thank all of our members who have volunteered their time to work on our projects. I know your time is valuable. Please know your efforts are greatly appreciated. We must win in November! The future of our country depends on it!

Please pray for President Trump's swift and complete recovery. Pray for our state that is once again under siege of a hurricane.

Let us continue to be useful and make a difference. Let's keep America Great!

Looking forward to seeing you soon! Stay safe out there!

Canceled

LFRW Fall Conference

The LFRW Fall Board Meeting and Conference OCTOBER 9, 10, and 11, 2020 has been canceled due to Hurricane Delta.

Please pray for those in the path of this storm.

Letter from LFRW President

I am asking each LFRW Member to make a list of 20 friends and family to contact and remind them to vote in the election. We need to get people to the polls. Also, they need to check their voting location and make sure they are still on the voter rolls. Too many times voting places change without notice leaving the voter frustrated and angry. Check your status now to avoid confusion on election day.

While everyday Americans strive to make an honest living by working hard, liberals within the swamp have perfected a way of barely working while elevating themselves above all of us. **LIBERAL PRIVILEGE** will take you behind the scenes of the swamp, just as the nation gears up for the next presidential election. As President Donald J. Trump seeks a second term based on real accomplishments, learn about the facts the media refuses to cover. As woke liberals attempt to burn our cities, abolish capitalism and rewrite history, liberals stand idly by encased by political correctness and guilt. Donald Trump Jr masterfully eviscerates critics in **LIBERAL PRIVILEGE** in a raw, witty and very direct way. Few American families have accomplished so little and benefited so much as the Biden's. Through corruption, grift, and sheer greed - Joe Biden, Hunter, and the rest

MASK UP LOUISIANA

When you wear a mask, YOU PROTECT OTHERS.
When others wear a mask, THEY PROTECT YOU.

It is strongly recommended that we wear a mask or face covering when out in public. Wearing a face covering is an easy way to take care of each other, so let's all mask up to keep Louisiana healthy and strong.

LAGOP
REPUBLICAN PARTY OF LOUISIANA

TEXT 'LAGOP' TO 67076

Ladies,

On behalf of the party I want to begin by first thank you all for helping us with the voter registration drives this past weekend, and secondly, I wanted to congratulate you all on hosting a fantastic forum on Tuesday. Both events were successful and a lot of fun, they also served to demonstrate your groups' leadership in the capitol region. The party commends you.

If you and your ladies would still like to stay involved in the election, please let them know they can go to lagop.com/get-involved and sign-up to be a poll watcher, phone banker, or remote site volunteer. Following the storm, the party will be doing more grassroots

events. Expect further updates on these events next Monday or Tuesday.

Again, my deepest thanks for all the help and support you have provided to the party. We are in your debt! Please reach out to me if there's anything I can help with or if you have any questions.

Warmest Regards,

Ben Smith, Communications Director

TEXAS FEDERATION

Republican Women

Hello Ladies!

Some of you have responded to my email as the Louisiana Chair for the Mighty American Strike Force, asking for Volunteers to join me in Texas to help Get Out The Vote for Donald Trump and other Conservatives. Some of you went to the website and registered to be a volunteer. I appreciate your response.

Texas is experiencing a surge of migration from Liberals from the North and the South. They are literally on the cusp of turning from a Red State to a Blue State and need as many of us as possible to help motivate our voters to get out and VOTE! I received a text from my counterpart in Texas who is begging us to come help. Her text said she thought it would be better for us to come to Dallas October 19-24. There will be a big push that week culminating with a big Rally that Saturday, the 24th at 9:00a.m. Ann Schockett will be there also and a lot of the TFRW ladies will participate. They will acknowledge us for our help.

Please let me know if you can go on those dates and are interested in doing so. Rhonda is trying to set up a Hotel for us. But, she needs to know how many will come. More information will be sent as I receive it.
